Selectmen's Narrative Report

The year 1951 has been a rather costly one in many respects. The rain storms of November, 1950 and April 4-5 of 1951 did great damage to our roads causing additional expense over and above our appropriation. There is the possibility that we may receive some reimbursement from the State Highway Department as we have qualified under a formula which they presented to us. Storm damage to our roads exceeded three thousand dollars. General highway expenses was excessive as a result of increased cost of equipment repairs, culverts, oil and gasoline and the necessity to purchase five tires (one for grader and four for trucks), cutting blades for plows which we had to purchase in excess of needs due to the probability that we will be unable to obtain them later.

Town Hall expense was in excess of appropriation due to the absolute necessity of repairing connecting pipe of toilet on upper floor and cleaning out toilet tanks which cost \$386.10.

We appropriated \$765.21 for Town Road Aid and spent \$875.86 which was added to \$5,376.00 obtained from the State Highway Department making a total of \$6,144.21 which was spent for new construction on the East Washington Road under state supervision.

It was necessary to exceed appropriations for the Fire Department on account of defective flooring. It had been intended to do only minor repairs but when opened up it was found that the floor timbers were in poor condition. Therefore, it was decided to put in a solid cement floor and also replace existing heating system with an oil heating unit which would result in lower costs. The appropriation was \$1,000.00 and we spent \$1,356.00.

It has been our objective for 1952 to cut our budget down as fine as fine as possible to the end that the tax rate will not exceed that of 1951.

Town Warrant

To the Inhabitants of the Town of Bradford, N. H. in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bradford on Tuesday, the eleventh day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

- 1, To choose all necessary officers for the year ensuing.
- 2, To raise such sums of money as may be necessary to defray expenses for the ensuing year and make appropriations for the same.

(The raising of money and other articles in the Warrant to be taken up at 1:00 o'clock P. M.)

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

- 4, To see if the Town will raise and appropriate the sum of \$765.21 for Town Road Aid. The State to furnish the sum of \$5,101.39 .

- 5, To see if the Town will vote to raise and appropriate the sum of \$50.00 for observing Memorial Day.

- 6, To see if the Town will vote to raise and appropriate the sum of \$400.00 for Pine Blister Rust.

- 7, To see if the Town will vote to raise and appropriate the sum of \$344.00 for Hospitals. Concord Hospital to receive \$144.00 and New London Hospital to receive \$200.00 .

- 8, To see if the Town will vote to increase the salary of the Treasurer from \$100.00 to \$150.00 .

9, To see if the Town will vote to instruct the road agent to plow driveways. The property owners shall request this service by application in writing to the Selectmen on or before October 1st of each year for which a charge of \$5.00 will be made. Town shall not be liable for damage resulting from such plowing.

10, To see if the Town will vote to raise and appropriate the sum of \$200,00 for the construction of an Observation Post for Civil Defense

11, To hear reports of committees and report thereon.

12, To transact any other business that may legally come before this meeting.

13, To see if the Town will accept the reports of the Town Officers.

Given under our hands and seal this 16th day of February in the year of our Lord nineteen hundred and fifty-two.

Only You Can Prevent Forest Fires

New Hampshire faces a real forest fire problem and challenge! To meet it successfully, New Hampshire and your community needs YOUR thoughtful and cooperative effort.

Continuously heavy lumbering operations following the the hurricane has produced more than 4 billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizeable slash problem.

When YOU fail to use needed precautions while burning
in or near woodlands-

When YOU fail to secure the required permit from your
local forest fire warden before burning-

When YOU are careless in smoking near woodlands-

When YOU throw lighted cigars, cigarettes and matches
from vehicles moving along the highway-

YOU are violating fundamental common sense and
may easily contribute to a substantial and costly
fire. Such conflagrations are possible because of
the hundreds of thousands of slash acres through-
out the state!

REMEMBER - the fire YOU prevent might be one which
could conceivably burn YOUR property and harm YOUR
community!

ONLY YOU and YOU can prevent forest fires!!

Will YOU help !

The new State Aid Formula was adopted by the last session of the General Court and, as I expected, Bradford did not qualify for Aid under the new Formula. I would like to attempt to explain how the new Formula operates, neither praising the Formula nor condemning it.

There are three factors involved in the Formula. The cost of a Foundation Program, the Local Fair Share, and the Adjusted Valuation. The first, the Foundation Program, sets up the bare minimum amount that a district should pay for its education. It is found by multiplying the average daily membership of elementary children by \$175.00 and the average daily membership of high school children by \$225.00 that these two sums added together give the Foundation Program or the weakest sort of a program any School district should offer.

The second factor is the Local Fair Share which, after a great deal of argument as to where it should be set up, was finally set at 17 mills per dollar of adjusted valuation. This is supposed to reflect the ability of the school district to support its schools.

The third factor and the one which your local representative, I think, disagrees with most, is the adjusted valuation. This figure is found by taking the assessed valuation that would be necessary to raise the money that is received from interest and dividends tax, railroad tax and savings bank tax. On top of this the Tax Commission will arbitrarily add to this sum if they feel that the selectmen have set smaller assessed values than other towns in the state.

According to the Formula the Foundation Program is compared with the amount raised by a 17 mill tax on the adjusted valuation. If the 17 mill tax raises an amount more than the Foundation Program there is no State Aid.

If the 17 mill tax raises a smaller amount, the difference between the two would be the amount of State Aid. Because the total amount of money was not raised by the General Court, towns qualifying for State Aid will only get 54% of the money. Here are several examples to show how the Formula works.

	1950 Adjusted Valuation	1950-1951 Resident Average Daily Membership Elem. Sec.		Cost of Foundation Program	17 Mill Fair Share	54 percent State Aid
Bradford	\$1,616,176	81.5	21.8	\$19,167.50	\$27,474.99	None
Candia	1,298,278	171.5	52.4	41,802.50	22,070.73	\$10,662.88
Chester	1,440,329	142.9	45.8	36,527.50	24,485.59	6,507.35
Center Harbor	1,244,778	55.5	9.7	11,895.00	21,161.73	None

The amount of adjusted valuation for Bradford seems high but this figure is set up by the Tax Commission. If the town feels that the adjusted valuation is too high, the selectmen should protest to the Tax Commission and ask that the figure be changed because the lower the adjusted valuation, the more chance there is for State Aid.

I am sorry to take so much space on State Aid but, because of the loss that Bradford has suffered, I feel that people should have an understanding on how the State Aid bill operates.

The continued cooperation and friendliness of the people in Bradford makes my work with you very pleasant.
